

CALIFORNIA FOP LEGISLATIVE UPDATE

Alan Barcelona

California FOP 2nd VicePresident

Legislative Committee Chair

May 15, 2017

Sadly, a legislator is once again attempting to attack our pensions. Assemblymember Bill Brough (R-Dana Point) recently introduced ASSEMBLY CONSTITUTIONAL AMENDMENT (ACA) 15 relating to public employee retirement benefits.

ACA 15 would put a measure on the ballot prohibiting a government employer from enhancing pension benefits without approval from voters within that jurisdiction. It also would prohibit employers from paying more than 1/2 the total cost of retirement benefits, among other things. I have attached ACA 15 below.

Fraternally,
