

CALIFORNIA FOP LEGISLATIVE UPDATE

Alan Barcelona

California FOP 2nd Vice
President
Legislative Committee Chair

May 23, 2017

I wanted to take a moment to update you on California Senate Bill 620 introduced by Senator Steven Bradford (D-Gardena).

This bill would delete the prohibition on striking an allegation or finding and, instead, would allow a court, in the interest of justice and at the time of sentencing or resentencing, to strike an enhancement otherwise required to be imposed by the above provisions of law.

The bill, "*An act to amend Sections 12022.5 and 12022.53 of the Penal Code, relating to firearms,*" passed the Senate and is moving on to the Assembly.

You can read Senator Bradford's comments, [here](#).

Fraternally,
