

JOIN THE MARROW REGISTRY

Meet **Shane Norris**, a loving husband, beloved son and brother and amazing father to Joseph and Melena. Shane loves martial arts, coaching his children's sports teams and the Philadelphia Eagles. He is a Deputy State Fire Marshal with CALFIRE and is devoted to his career of public service.

On February 4, 2017, Shane was diagnosed with Stage IV Mantle Cell Non-Hodgkins Lymphoma. His life and that of his family are forever changed. Within five days, Shane started an aggressive course of in-hospital chemotherapy treatments. He will have four to six treatments while his oncologist prepares him for the necessary bone marrow transplant in June of 2017.

Shane is now waiting for a bone marrow match. Let's honor his journey and his healing process by joining Be the Match. He cannot win this fight alone. Please donate and stand with our friend, our fellow servant, our colleague.

YOU could be the ONE to save his life or the life of another in need!

Give Hope.
Give Life.
