PRESIDENT'S MESSAGE

By Alan Barcelona
CSLEA President
FOP Lodge 77 President

I often boast about our CSLEA legal division, but due to confidentiality issues, I can't always share with you the hard work and the victories our attorneys achieve for our members. One victory I can share is outlined in an article below: [CSLEA Legal Victory in "Out-of-Class" Compensation Arbitration](#). I hope you take a moment to read it, if you haven't already viewed it on CSLEA.com.

You may also find of interest, the article: [CSLEA and CalHR Enter into Side Letter for Additional Pay for Deputy State Fire Marshals](#). We don't rest at CSLEA, our push for our members is year-round and we will continue to work for all of our members in all job classifications.

Our member services representatives have been visiting new state employees assigned to Bargaining Unit 7 (CSLEA) conducting what we call New Employee Orientations (NEOs) and they are visiting worksites in membership outreach meetings. Please know you do not have to wait for one of our member services representatives to visit your worksite to convey to us situations or problems at work. You can reach out to us anytime through site representatives, or by contacting CSLEA directly by email at ContactUs@CSLEA.com or by calling (916) 447-5262 (Sacramento) or (714) 894-4411 (Huntington Beach).

The National Fraternal Order of Police (FOP) is preparing for its 63rd biennial conference to be

held in Tennessee at the end of this month. This is a time in which FOP national officers are elected and dozens of seminars regarding policing and bargaining issues are conducted. I look forward to reporting back to you on things I have learned and the future agenda of the National Fraternal Order of Police.

The CSLEA Board of Directors is looking forward to its third quarter Board meeting scheduled for September 14, 2017 at CSLEA headquarters. In addition to conducting our routine order of business, we have several guest speakers scheduled to meet with the board. These guest speakers will likely be candidates for state office in 2018 and it's important for our Directors to meet them and discuss their roles as State workers and as Directors of CSLEA.

I hope you enjoy the rest of your summer and please be safe in your travels.

CSLEA's Membership Encouragement Program

CSLEA's Membership Encouragement Program continues to be a hit.

Here's how it works:

If your Unit 7 colleagues are not full members of CSLEA and sign up using your name as a "sponsor" - CSLEA will thank you with \$50.00. Ask around.

CSLEA members receive enormous [benefits](#) over fair-share members. The difference between fair-share and full-dues is minimal, in most cases just \$5 to \$10 a month.

proven [Legal Defense Fund](#), that, as a consumer protection or public safety employee, no one should be without.

Full-dues paying members also receive access to [scholarships](#), the [CSLEA Exclusive Member Discounts Program](#) and the [Fraternal Order of Police](#) benefits program.

Your fair-share Unit 7 colleagues can [upgrade membership status here](#). Don't forget to have them include your name as the sponsor.
