FOP President Statement About the Anthem Protests

Alan Barcelona
CSLEA President
California FOP 2nd Vice President

On Friday, September 29, 2017, Fraternal Order of Police (FOP) National President Chuck Canterbury issued a statement about the Anthem protests currently taking place within the National Football League. I invite you to read his statement by clicking on the link below.

Also, please keep those affected by the mass shooting in Las Vegas in your prayers, and bless the brave - civilians, first responders and law enforcement officers who helped those in need and protected others.
