RE: Support for SB 459 (Grayson) – Peace Officers: Group Peer Support Services

Dear Senator Grayson,

On behalf of the California Statewide Law Enforcement Association (CSLEA) and our more than 7,000 public safety professionals, I am writing to express our strong support for SB 459.

This bill takes an important step in strengthening confidentiality protections for peace officers who participate in group peer support services. Our members routinely face trauma and stress in the line of duty, and peer support plays a critical role in their mental health and resilience.

We appreciate your leadership on this issue and your commitment to the well-being of California's law enforcement community. CSLEA is proud to support SB 459 and urges its passage.

Sincerely,

Alan Wayne Barcelona
Special Agent, DOJ
President, CSLEA
