Dear Senator Allen,

On behalf of the California Statewide Law Enforcement Association (CSLEA), we are pleased to support your candidacy for California Insurance Commissioner.

CSLEA represents more than 7,000 California public safety professionals. We believe you are the best choice to support the important fraud prevention and enforcement work carried out by the California Department of Insurance, particularly by its investigators. This work requires sustained attention and focus, as well as a commissioner who will support and advocate for the investigators responsible for uncovering insurance fraud. Strong investigative capacity helps protect Californians, promote fairness and justice, and hold those who commit fraud accountable.

We are proud to support your candidacy and look forward to working with you to strengthen the Department's investigative mission and support the professionals who carry it out.

Sincerely,

Alan Wayne Barcelona
Special Agent, DOJ
President, CSLEA
