Dear Richard,

On behalf of the California Statewide Law Enforcement Association (CSLEA), I am pleased to confirm our endorsement of your campaign for California State Superintendent of Public Instruction.

CSLEA represents more than 7,000 California public safety professionals. We value leaders who understand the challenges facing public institutions and bring practical experience to addressing them.

Your years of service on the San Diego Unified School Board have given you a strong understanding of the needs of students, educators, and public schools. Your work to improve school facilities and campus safety is a meaningful example of how thoughtful leadership can support both learning and the well-being of school communities.

California must continue to invest in public safety and ensure it remains a top priority for the state. Safe, supportive schools and strong communities are important parts of that commitment. We believe your experience will make you a strong advocate for students, teachers, and public schools throughout California.

We are proud to support your candidacy and wish you success in the election.

Sincerely,

Alan Wayne Barcelona
Special Agent, DOJ
President, CSLEA
