Dear Secretary Becerra,

On behalf of the California Statewide Law Enforcement Association (CSLEA), I am pleased to confirm our strong endorsement of your campaign for Governor of California.

CSLEA represents more than 7,000 California public safety professionals. Our relationship with you goes back many years, including your time as California Attorney General. You made a point of meeting with CSLEA's leadership, listening to our members' concerns, and inviting us to bring forward ideas and proposals. That open communication built a strong working relationship grounded in a shared commitment to public safety.

As Attorney General, you demonstrated consistent support for California's law enforcement professionals and the difficult work they do to protect the public. You recognized their contributions, supported their efforts, and understood that effective public safety requires both strong leadership and respect for the people carrying out the work.

Your record, accessibility, and longstanding partnership with CSLEA give us confidence in your leadership. We are proud to endorse your candidacy for Governor and look forward to continuing our work together on behalf of California's public safety professionals and the people they serve.

Sincerely,

Alan Wayne Barcelona
Special Agent, DOJ
President, CSLEA
